<i>JavaScript</i>	<i>SQLite</i>	<i>Node</i>
<i>Python</i>	<i>HTML / CSS</i>	<i>Git</i>
<i>Bash</i>	<i>React</i>	<i>Technical Communication</i>
<i>Linux</i>	<i>Redux</i>	<i>Empathetic Communication</i>
<i>PostgreSQL</i>	<i>Express</i>	<i>Instruction and Mentorship</i>

Work Experience

App Academy - Coding Bootcamp

Lead Instructor | September 2023 - Present

Managed a team of instructors, ensuring consistent instruction standards and policy enforcement, acting as the technical and administrative lead to the team. Provided regular professional development workshops, lecture reviews, as well as continuing to directly instruct my own cohort of students. Worked interdepartmentally and with company leadership to advocate on the behalf of the academics department and for students.

Instructor | November 2021 - September 2023

Acted as the primary instructor, managing and delivering daily lectures to a cohort of 30+ students. Mentored and trained Instructional Assistants under my supervision.

Lead Instructional Assistant | August 2021 - November 2021

Worked with the primary instructor in managing and mentoring Instructional Assistants, answering student questions, managing student projects, and delivering weekly lectures.

Instructional Assistant | April 2021 - August 2021

Assisted the primary instructor in answering student questions, managing student projects, and delivering occasional lectures.
